

Once again the Up "N" Smoke Cookers need your help as we start the 2011 cooking season. This year we are schedule to participate in the 4H fundraiser/BBQ, Texas Association of First Responders cook off May 13<sup>th</sup> and 14<sup>th</sup> and the Waller County Fair in September.

Up "N" Smoke Cookers is a group of Harris County Deputies and others, who annually contribute our time and talents to charitable cook-offs. The cook-offs are held for various organizations such as FFA, 4-H, Boys and Girls Country, **Texas Association of First Responders**, and The 100 Club of Houston, just to name a few.

We also participate in individual benefits/fundraisers for injured and fallen law enforcement, their families, and first responders.

In the past 2 years our efforts and your sponsorships have helped raise over \$200,000 for the charities above and the families of law enforcement personnel who were injured or killed. Please help us again this year.

We would like to extend our thanks to our sponsors for their contributions and support since the team was started in 2004 and ask for your continued support for the 2011 season. We are always looking for additional corporate and individual sponsors who are willing to open their heart in helping us with our goal. All contributions gathered are of no personal benefit to any single team member and are used entirely in the purchasing of materials, supplies, and equipment repairs.

Thank You for your support,

Members of Up "N" Smoke Cookers
